

## Environmental Policy Statement

### Commitment

The Management of Chippendale Transformer Services Inc. (CTS) are committed to achieving the highest standards of environmental performance and recognises its corporate responsibility to the environment. CTS acknowledges that its operations have a direct and indirect environmental impact and aims to minimise that impact and operate in an environmentally responsible manner.

### General Policy

This statement reflects CTS's intention to provide and maintain an environmentally sustainable management system.

Although the standards established by legislation will apply as a minimum, CTS will always strive to achieve best practice in the local context of every area in which we operate.

### Statement of Principles

CTS will, so far as is reasonably practicable:

1. Ensure environmental risks are properly identified, prioritized and managed in an appropriate and timely way.
2. Establish sound environmental management policies and promote best practice.
3. Manage its operations in ways that are environmentally sustainable and economically feasible, by making efficient and environmentally responsible use of energy and water and exploiting opportunities to maximize efficiency.
4. Minimize environmental impact and reduce or, where practicable, prevent pollution.
5. Minimize waste production by reduced consumption and develop effective waste management and recycling procedures.
6. Collaborate with key suppliers to promote environmentally responsible procurement of goods and services.
7. Monitor actively results and audit policies and practices to ensure CTS meets its policy goals.
8. Recognize the legitimate interest that all its stakeholders, including customers, shareholders and employees have in its environmental performance and communicate openly within CTS and to the outside community.

It is the duty of all employees to conform to the environmental policy.

The Management of CTS give their full support to the implementation of these principles.
